WHAT IS THE MAKERS STUDIO?

The Makers Studio is a group of artisans on the Central Coast committed to supporting its members and the wider community to explore & develop their skills in the crafts of printmaking, screen-printing, textiles, fibre arts and other areas of the visual arts. We are a not for profit organisation and are supported by the generosity of members and the committee. The association is managed by a dedicated committee elected by the members at the Annual General Meeting each year.

WHAT WE HOPE TO ACHIEVE

Through our specialised studio facilities equipped for a range of media and techniques we seek to

- Provide workshops & skills advancement opportunities
- Build stronger networks across the region
- Work in partnership with other creative groups
- Expand our membership

Enquires can be sent to

info@themakersstudio.org.au

BECOMING A MEMBER...

The Makers Studio encourages all members of our community to get involved – whatever your skill level.

If you are a beginner, intermediate, or

advanced artisan in any of these media you will be made welcome and offered a variety of opportunities to help you with your skill advancement.

To assist our members, we offer a range of creative development sessions at nominal rates to help you become more confident in exploring your creativity.

We also offer a range of workshops by specialists in their field of expertise for those seeking a challenge.

Field trips and events are offered from time to time to encourage members to see other works, share ideas and generally have some fun.

Information is distributed through our quarterly Newsletter 'Make it Happen' Our Facebook and Instagram pages and emails to members.

Occasionally we ask members to get involved and be part of working bees, events, and exhibitions.

ACCESSING OUR FACILITIES

Our facilities are located at the rear of the Lions Community Hall in East Gosford which provides off street parking & flat ground for easy access.

WHAT WE DO...

Skilled artisans offer members & the community opportunities to learn a wide range of techniques

- Lino and woodblock printing
- Intaglio & drypoint etching using a range of different plates
- printing on paper and fabric
 - Eco dyeing
 - Shibori dyeing
- Textiles and fibre works including basketry and weaving
- Support with drawing/painting etc
 - Experimental techniques
 - bookmaking

There is so much you can become involved with so why not give us a go!
