MEMBERSHIP FORM

AN ASSOCIATION ESTABLISHED IN 2014 TO PROMOTE THE ADVANCEMENT OF ARTISTS, DESIGNERS AND CRAFTSMEN ON THE CENTRAL COAST.

OUR MISSION

The Creative Workshop Association Inc. is committed to promoting the appreciation, practice and development of Arts, Design and Crafts on the NSW Central Coast.

OUR VISION

To establish a regional Centre of Excellence for Artists, Designers, Craftworkers, Arts Educators, Arts Workers and students engaged in printmaking, screen printing, fashion design, textile design and fibre arts practices.

MEMBERS

The Association is supported by a dedicated working committee representing local Artists, Designers, Crafters, Arts Educators, Arts Workers, students and hobbyists.

WHAT WE PLAN TO DO!

We are working towards establishing the Central Coast's very first open-access creative workspace known as The Creative Workshop (TCW).

TCW will encompass a gallery and specialised workspace equipped for professional and amateur printmaking, screen printing, fashion design, textile design and fibre arts. We envisage the workspace being a communal, creative space based on the simple but powerful idea of sharing resources among communities. The workspace will be accessible by

the entire community, enabling users of all abilities to learn new skills and network to support the creation of quality works of Art, Design and Craft. TCW will deliver creative classes for the general public, along with school art, professional development and outreach programs for the community, delivered by leading industry practitioners.

ASSOCIATION INC. MEMBERSHIP

If you are a Designer, Crafter, Arts Worker, student or hobbyist you may like to consider becoming a member of the TCW Central Coast Association (TCWCC).
